Council holds the line on mill rate

Tax notices coming soon

Elk Point Town Council is following in the footsteps of their predecessors in setting the 2002 mill rate, and are holding the line across the board at 2001 levels. Once again this year, taxes on Residential and Farm Land will be 15.787 mills, on Apartments and Fourplexes, 30.276 mills, on Non-Residential - Improvements and Linear, 27.281 mills and on Non-Residential - Vacant, 29.982 mills. Mill rates dropped in 2001 by 1.135 mills due to decreased education tax requisitions after holding steady for a number of years at the same level.

The current Alberta School Foundation Fund requisition accounts for 5.615 mills of Residential, Farm Land, Apartment and Fourplex totals, and 8.194 mills of Non-Residential and Linear mill rates, while special levies of 2.016 mills for General Contingency Capital Reserve, .186 mills for Ambulance Service Reserve and .104 mills for M. D. of St. Paul Foundation Reserve are the same for all categories.

The 2002 mill rate bylaw was given all three readings at last Monday's Council meeting, giving Town administration the go-ahead to send out tax notices in the near future.

It was noted that water, sewer and garbage collection are operating at par right now, with funding for these services barely in the black, and Council may have to pass another bylaw before the end of the year to raise the rates.

Elk Point's assessment went up slightly this year.

Town, County to apply for parks improvement grant

A joint application for Sponsorship 2002 grant funding will pay off for both the Town of Elk Point and the County of St. Paul, who will both reap an additional 25% toward park facility improvement from the cooperative effort. Elk Point's share will go toward addition of amenities at the Elk Point Recreation Park, including a concrete floor for the outdoor roofed area at the ball park concession building.

After meeting with Rick Willis and Ken Waite of ATCO Electric regarding their franchise agreement, Council

agreed to extend the term of the agreement from 10 to 11 years. ATCO is asking municipalities for the change to spread out the renewal term for agreements over a three-year period, contrary to the wishes of the Alberta Urban Municipality Association (AUMA), who wanted all the franchise agreements to run out at the same time. Council amended the franchise agreement bylaw, which had been given only its first reading, to reflect the change in term length.

Council also agreed that the Elk Point Public Library

is important enough to Elk Point residents to warrant the Town's support with a one-time funding increase of \$5000. The Library Board chair and librarian visited last month's meeting to ask for support after lottery funding grants were cut and funding from Friends of the Library bingos dwindled due to lack of volunteers, leaving them with a deficit budget. Town manager Myron Goyan commented, "it's sad that we have to work bingos to support libraries." The Library Board was also planning to approach the County for

assistance.

A computer and printer designated for internet hookup to put building and development permits on line was approved by Council, who received a \$1000 grant from the Alberta Safety Council and the provincial government toward its purchase and registration, and intensive training for those who will work on it.

The Town of Elk Point has purchased a 4-H steer, which will be raffled through a community organization in the near future. Other groups will be invited to help with

ticket sales and will receive half of the funds they collect, with the balance going into an account to be used for a similar raffle next year.

Council gave their stamp of approval to the North East MuniCorr policy statement, regulations for corridor usage, general regulations and recreational trail usage.

Myron Goyan will represent the Town at the Alberta Recreational Corridor Legislative Committee meeting on July 11. A public meeting is planned for that evening in St. Paul.

Track record falls as CPCA wagons run in Dewberry

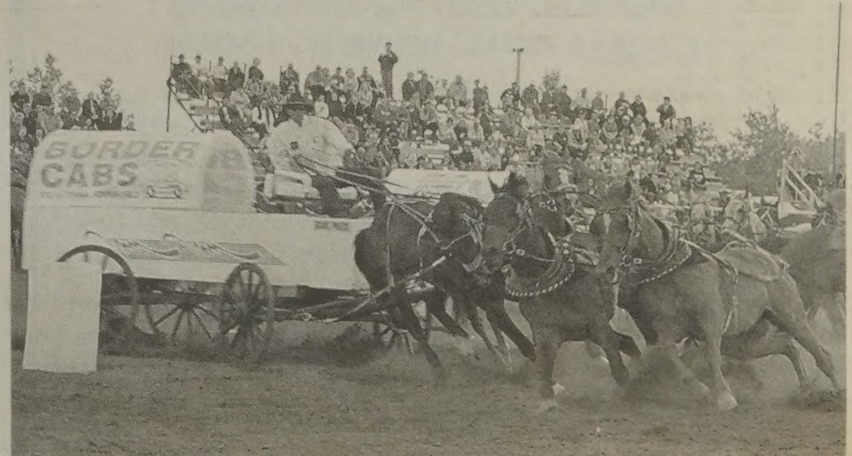

A total of 41 Canadian Professional Chuckwagon Association outfits roared around the track in Dewberry this weekend, providing 14 heats of exciting action both Saturday night and Sunday afternoon for excellent crowds.

Wayne Knight of St. Walburg, SK placed second Saturday night and set a new track record of 1:06.53 on Sunday to win the meet with a total time of 2:15.19. Another St. Walburg teamster, Jim Knight, added a third place finish on Saturday and a sixth place finish Sunday to finish in second spot, just over two seconds behind the leader. Saturday's winner, Shane Nolin of Rapid View, SK, had enough speed built up that a slower run Sunday still let him claim

third place, with a total time 13/100 second behind Jim Knight. Brian Laboucane of St. Walburg was fourth and Bert Croteau of Bonnyville fifth in the meet.

Wayne Knight won the Champion Driver award sponsored by Border Credit Union and the Dewberry Hotel, as well as a leather-bound Bible donated by Dewberry Community Church. His Fastest Time of the Meet award was donated by Rafter A7 Livestock, and his new track record, breaking the 1:07.60 set by Ray Mitsuing in 1997, brought him a cash award which has been growing by \$100 each year since, for a total of \$600 donated by Palco Livestock.

Canadian Natural Resources Limited (CNRL) and Petrovera Resources Limited (Petrovera) have applied to the Alberta Energy and Utilities Board (EUB) for approval to construct and operate new schemes, and to amend existing schemes, for the recovery of crude bitumen from the Mannville Group in a total of 38 3/4 sections, as shown on the attached figure. The companies propose that the well spacing for the areas shown be reduced from 16 or 64 hectares to 8 hectares, that wells drilled or to be drilled within the scheme areas have a minimum interwell distance of 100 metres and that the schemes have a project boundary buffer of 50 metres.

Additionally CNRL applied for licenses for 3 vertical wells and 52 wells to be drilled from 13 well pad sites in the locations shown on the attached figure. Petrovera obtained licenses for 3 vertical wells that have been drilled in the area of interest as shown on the figure, and has in addition applied for licenses for 9 vertical wells in the locations indicated.

The EUB has determined that there are a number of concerns respecting the applications which have not yet been resolved, and is prepared to consider the applications and related issues and concerns at one or more public hearings. However, before proceeding to schedule any public hearing, the EUB believes that a pre-hearing meeting to obtain information from interested parties would be useful.

Therefore Take Notice that the EUB will hold a Pre-hearing Meeting in relation to the applications at the Elk Community Centre, 4906 - 51 Street, Elk Point, Alberta, on **Wednesday, June 26, 2002**, commencing at 9:00 a.m.. The matters to be considered include:

- whether the CNRL and Petrovera applications should be considered at a public hearing in a combined manner, or in a consecutive manner,
- the appropriate timing of a hearing and deadlines for filing interventions or submissions, and
- any other matters as necessary.

Restaurants take part in World
No-Tobacco Day promotion

Three Elk Point restaurants went smoke-free for a day on May 31 to mark World No-Tobacco Day, in conjunction with the Lakeland Regional Health Authority and AADAC, with all three reporting that this first-ever venture into smoke-free eating went over well.

The Hilltop Café's Art

Halabi was the only one of the three to report that some of his customers "didn't like the idea, and left," but said these same customers returned the next day. He "would do it again" another year, he said, and noted that although a smoker himself, the idea of a clean atmosphere has appeal.

George El Irani at Magic Pizza said his customers who smoke "said 'no problem'." We had a very good day. It was real nice. I was surprised, and my wife was very happy."

Jean Gascon at Elk Point Burger Bar reported that all went well there also. "We never had one complaint, and we had just as much business as usual." She said, however, "if it were non-smoking every day, that might be a different story."

Each of the three held

a draw for a \$25 restaurant gift certificate as a reward for their No-Tobacco Day customers. Brenda Smith was the Hilltop Café winner, while Wayne Hudson won at Magic Pizza and Brandi Becker at the Elk Point Burger Bar.

LUCKY DINER Brenda Smith will enjoy a meal at the Hilltop Café as the winner of the World No-Tobacco Day draw. Kim Campbell from the Elk Point Health Unit presented the gift certificate to Ms Smith.

community **NEWS****Elk Point 4-H Multi Club S.T.A.R.S. fundraiser was great**

By Donna Ockerman

Elk Point 4-H Multi Club

The Elk Point 4-H Multi Club is winding up another successful year. This year our club had twenty-eight members in various projects. Some of the projects were: Steer, Heifer, Cow/calf, Small Engines, Woodworking, Cooking and Arts and Crafts. All of the members did a wonderful job on their projects this year, and they have all shown that they have 'Learned to Do by Doing'.

It was a busy year for the members and leaders, as they did more than just attending meetings and working on their projects. Some of the things

that they did were: floor curling with the seniors, public speaking, bowling, highway clean-up, milk container recycling, attending Farm Fair in Edmonton, judging and grooming workshops, and the George Fox Concert in St. Paul.

Our club also raised \$10,000.00 to donate to STARS Air Ambulance. We did this by raffling off a calf that was bought and donated by Tags Food and Gas in Elk Point and raised and cared for by Ken and Colin Ference. Lakeland Meat Processors also donated the cutting and wrapping of the STARS Calf. The Ferences did a wonderful job of feeding and training the calf and he was on dis-

play at our achievement day and at the St. Paul District 4-H Show & Sale. We would like to thank everyone who supported us in this raffle by purchasing tickets, and congratulations to the winners of the STARS Calf; Bert & Yvonne Poulin of St. Paul.

Congratulations need to go out to all of the members on doing a wonderful job on their projects, they may not have all gone home with trophies and ribbons, but they are all winners. And the same goes to all of the leaders, for without your help, hard work and guidance, there would not be a

club.

Once again, thank you to everyone who supported our club throughout the year with your generous donations, trophy sponsorship, purchasing of our 4-H steers, and for coming out and cheering us on at our achievement days, your support means so much. And a big Thank You goes out to Vicki Brooker & The Elk Point Review for covering all of our 4-H events this past year; you have done a wonderful job.

Have a wonderful and safe summer, everyone.

A COOL \$10,000 FOR S.T.A.R.S. - Proud 4-H dads (right to left) Lyle Frisby, Ken Ference and Chris Havener presented Barry Knapp of S.T.A.R.S. with the proceeds from the S.T.A.R.S. steer raffle. At far left is Nigel LaFrance, representing Maurice LaFrance of Tags Food and Gas, who donated the steer to the club last fall. The steer was raised by the Ference family.

SUPER S.T.A.R.S. SUPPORTERS! - Elk Point 4-H Multi Club members joined the S.T.A.R.S. steer in the show ring to congratulate S.T.A.R.S. steer raffle winners Bert and Yvonne Poulin (second and third from right). In front is Tyler Ockerman, who took a lifesaving ride in the S.T.A.R.S. helicopter in October 2000.

An opportunity to find out about Oil and Gas Development and Landowner Concerns

Invitation to the EUB Open House

The Alberta Energy and Utilities Board (EUB), the provincial regulator of the oil and gas industry, will be hosting an open house in Bonnyville. All area residents, landowners, industry, and government representatives are invited to participate in an interactive information session about oil and gas development and landowner concerns.

When: Tuesday, June 25, 2002

Where: Bonnyville Senior Drop In Centre

Father's Day fun for all at the Forts

LOADING THE MUZZLE LOADER - Maureen Stewart watches a black powder marksman from the Edmonton House Brigade tamping the powder into his musket at Sunday's Powder and Horn event at Fort George and Buckingham House.

TIPS FROM AN EXPERT - Kimberly May gets some tips on log sawing from Roy Scott as she and Rebecca Stomberg try their hand at the Log Sawing competition. Glenda May steadies the log.

Father's Day at Fort George and Buckingham House Interpretive Centre offered visitors the opportunity to saw logs, sip spruce needle tea and try their hand at finger weaving, as well as visiting the fur trade camp of the Edmonton House Brigade, watching teepee setup and black powder rifle demonstrations and hearing presentations on fur trade era medicine and the uses of native plants. Travois races, nail pounding and frying pan tossing contests, a lively game of "two ball", a scavenger hunt, beaded key chain making and tours out to the original sites of Fort George and Buckingham House also were enjoyed by a good crowd of visitors. Rob Holliday presided over the barbecue to serve up lunch to the hungry hikers.

Winners of the "Why I'm Glad He's My Dad" contest were also announced. The contest drew excellent response, with over 70 entries. First prize winners will receive a fam-

Two more weeks to Canada Day!

Do you know what happens in two more weeks? Why, it will be our Elk Point Canada Day celebrations. Get your Canadian flags out and display them proudly.

Speaking of our Canadian flag - do you know its history? I would like to thank our MP, Mr. Leon Benoit, who put in each of our mailboxes the little booklet: "Welcome to Your Federal Parliament". The information about our Canadian flag gave me information I didn't know. I found it very interesting. Besides the other first flags, "it was not until 1924 that the image of a maple leaf officially graced a flag representing Canada. The shield of the Arms of Canada, consisting of the Lions of England, the Lion of Scotland, the Harp of Ireland, three Lilies of France's old regime and a sprig of three maple leaves, was added to the Red Ensign, a flag originally created in 1707 for the British Merchant Marine. Referred to as the Canadian Red Ensign, an unofficial version was flown in World War I and officially later flown by Canadian troops during the Second World War. Both the Canadian Red Ensign and the Union Jack were supplanted by the current flag in 1965. Since 1965, our current,

official Canadian flag has been flown. It is "a stylized maple leaf on a white square flanked by red bars."

deanna
EASTHOPE
from the FCSS desk

From this same booklet, I learned that: "the maple leaf is an enduring symbol which can be traced to the very beginnings of Canadian history. The aboriginal peoples in Eastern Canada were aware of the food properties of maple sap and harvested it every spring. This was a skill soon learned by European settlers.

As early as 1700, the maple leaf was referred to as a symbol. In 1834, the first St. Jean Baptiste Society adopted the maple leaf as its emblem. Fourteen years later, in 1848, The Maple Leaf, an annual Toronto literary review, declared the maple leaf to be the emblem of Canada.

The symbolic status of the maple leaf was recognized by its incorporation into the badge of the 100th Regiment (Royal Canadians). To cele-

brate Confederation, Alexander Muir composed the patriotic song, "The Maple Leaf Forever." At the 1904 Olympics, all Canadian athletes wore a red maple leaf on a field of white." Thus it began to be used as a symbol.

In 1921, King George V proclaimed that red and white were Canada's official colors. As to why he did that, I am not too sure, but the following explanation I read someplace mad sense to me. "The red commemorates the blood shed by Canadians during World War I (1914-1918) and the white represents the snow."

The name of our country - CANADA - also has some history. Did you know that the first use of "Canada" as our official name came in 1791 when the Province of Quebec was divided into the colonies of Upper and Lower Canada. It was based on the Huron word meaning village or settlement. So who would have guest that we would become a "great village from sea to sea." Yes, we are a large settlement of many different peoples who have and are learning to get along with one another. Let us all celebrate our 135 years of Canadian People on July 1, 2002 and fly our Canadian flags proudly.

community **NEWS****Soccer season catches up after unusually late start**By **Juanita Buck**
Elk Point Soccer Club

Elk Point Soccer had a late start this year due to the cool weather but our gung-ho attitude has caught us up to where we usually are by this time of year. Our new fields are almost ready to occupy, Parrish Tung tells me, so we are waiting with baited breath to use the great fields that the Town of Elk Point built especially for us to use. They are in Recreation Park by the golf course if anyone cares to peruse them.

May was a busy month for our teams, and this is the short version of the events.

Our youngest group, The Fireflies, ages 5 and 6, called U6 are spending this season learning their moves from a couple of girls who have played soccer around the area for many years, Erin Walker and Eryl

Anton-Roberts, as well as Joanne McBroom and all the parents of the children. Everyone seems to be enjoying learning the game.

Numbers are huge for our 7 and 8 year olds in the U8 group, 29 players are under the direction of Marion Hillebrand, Mark Gormley and Bonny Bresky as well as several other parent volunteers. Because this group is so big, they're finding enough challenge learning their moves playing each other, and will have a Fun Day at the end of the season, competing with each other.

For our U10 group, 9 and 10 year olds, we have split into a male and a female team. The U10 Girls, the Tigers,

coached by Sheila Nelson and Cassie Nelson, have played one game in Bonnyville against the Bonnyville Girls I team. Our girls dug in and played hard on a full-size field instead of their regular mini field and played a close match. Our only point was scored by Dakota Desjarlais, and both Ashley Campbell and Megan Bresky did an all-out job goalkeeping.

Constable Jenny McDonald and Brenda Mudryk coached the U10 Boys, the Silveradoes. They have played two games, one against Vermilion and one against Bonnyville 1. Vermilion squeaked by our defense 4-3 when our boys tired out near the end of the match.

Our points were scored by Brandon Rainey (2) and Greg Babcock. Kyle Ironeagle and Scott Labrie stood their ground, and sowed some of their excellent skills on the field during this first game. We all hope Margaret White

got her voice back from cheering so enthusiastically! Bonnyville as also a close match and this time our boys won 1-0 with one single point at the end of the game scored by Jordan Mudryk. The whole team played well to get

the ball to our offensive players and the offense took the ball home. Good team play by everyone is how this one is described, and each of the players helped keep our keeper with no goals scored. Well done!

Boys of summer pull up their 'Sox' in a great season finish

By Doug Bassett

Review Sports

The boys of summer really pulled up their "Sox" and had an excellent finish as they wrapped up their regular season, winning the last three game of the league, this past week.

Starting off in St. Paul on Monday night the Sox with Melvin "Stopes" Easthope on the mound for the first three innings, holding on to a 5 to 3 lead early, they went to reliever Mark Letestu, and at the bottom of the 5th inning the teams were tied at 6 all. A cocky play by Kurt "Dust buster" Kozicky stealing home with the bases loaded and two out, that started a rally for the Sox in the 6th. inning the Sox adding 4 more runs with two out, the final 11 to 8 for the Sox. Brian Poitras with 5 hits and 4 R.B.I.'s including a ground rule double that bounced over the fence in left field. Melvin "Stopes" Easthope also bouncing one over the fence in center field.

How ironic the first two games of the season in Edmonton it was snowing and blowing and 30 degrees Fahrenheit, 20 games and 7 weeks later, the last two games of the regular season on

Saturday there was a heat wave and the temperature reaching near 30 degrees, but this time using the Celsius scale.

Saturday at Bassett Field, the showdown at noon, Jarvie in town, the Sox with Myles "Mylo" Quinney on the hill to start the first game, the bases loaded up in the first inning, but, the Sox infield getting "Mylo" out of a real bind, turned a double play to set the tone. With some more real nice defensive plays the Sox were leading 9 to 3 at the top of the 6th when they finally did run into some trouble allowing 8 runs in the last two innings, but in the end, the Sox still managed to squeak out a win, the final 12 to 11.

The second game was much easier then the first, the Jarvie manager using up his bullpen in the first game, the Sox still with the tandem of Melvin "Stopes" Easthope to start and Mark Letestu, to relieve, the Sox winning by the ten rule, 14 to 2 after 5 innings. Some other game notes, Grayson Bilak with some nice defensive plays, and 3 RBI's on two hits, Nicky Myshaniuk the best bunter on the team, taking some for the team, three RBI sac's.

The Sox finished the regular season with a

record of 6 wins, 13 losses and one tie, not too bad for their first year in the AA Metro League. Including Jarvie, some of the other teams the Sox played they will be meeting again in provincials round robins. The Sox were competitive with them, 1 and 1 with St. Paul, 1 and 1 with Vegreville, a tie with Lac la Biche, 1 and 1 with Edmonton Warriors, and 1 and 1 with Athabasca. Some of the better teams in the league will be playing at the AA level for provincials.

While the Yankees and Mets may play in the Big Apple, the Sox are in the Big Egg, Vegreville, coming up this Saturday and Sunday, June 22 and 23, four games, two against Vegreville and two against Amisk, the first weekend of provincial round robins to earn the right to advance to the provincial final held this year in Olds July 19. 20 and 21. Only the top eight teams out of 21 will qualify, so let's hope the Sox winning habits continue.

Dewberry wagons

(Continued from Front Page)

Jim Knight's Runner-Up Driver award was sponsored by the Dewberry Hotel.

Bert Croteau took home the Best Barreling trophy from Dewberry Data Service and a cash award from Dewberry Hotel.

Doug Irvine, who bailed off his horse into another wagon to assist its driver with a runaway on Saturday night won the Goldsmith Family trophy and cash from the Dewberry Hotel as the week-end's Best Outrider.

Brian Laboucane won the Best Dressed Outfit award from UFA Isert Petroleum and The Co-operators - John Anderson Agencies. Roger Moore was named Most Sportsmanlike Driver for the Lindsay Everest's Gooseneck Services award. Stu Napper of Lashburn, SK, lost a horse during Sunday's races and was presented with the Hard Luck Driver award from Sandpiper Truck Holdings.

what's NEWS at the LIBRARY?

Library benefits from local Co-op's huge steak fry fundraiser

Elk Point Co-op is much more than our local grocery store - they are good corporate citizens who want to help out the community where they do business.

Last Friday evening, with the assistance of Cat Country CHLW Radio, they hosted a steak fry from which the proceeds will go to help

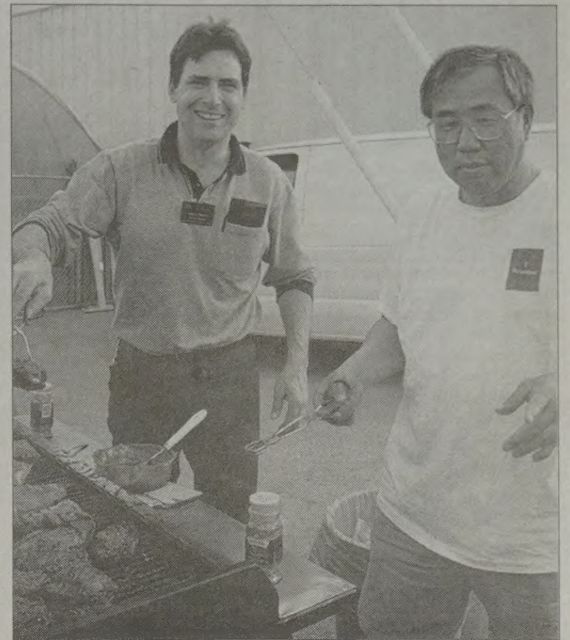

COUNTING PROCEEDS - Margaret Marcoux, Doris Freeman and Mark Gormley reported an excellent turnout for the fundraiser steak fry.

the cash-strapped Elk Point Public Library.

More than 300 people lined up to pile their plates with juicy steaks fresh off the grill and all the trimmings, and to join their friends and neighbors at picnic tables filling half of Co-op's spacious parking lot.

Librarian Daphne Schnurer and Library Board member Sherry Pelech were among the diners, and were glad to see the sizeable turnout. Funds raised Friday night will help make up for funding which disappeared with the end of the lottery grant.

The library's fundraising efforts will continue this week when they run a bingo on Thursday night in St. Paul. Volunteers are still welcome to sign up at the library.

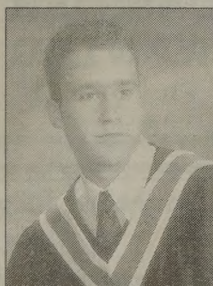

CO-OP MANAGER Dwayne Odgaard and Library Board member Parrish Tung manned the barbecue, cooking up over 300 tender and juicy steaks.

Thank you!

A big thank you goes out to all the people who have been donating books to the library. These are either processed and put on the shelves, or put out to be sold. Many people buy books from the library, and with bundles of 10 for one dollar it's very economical. Also thanks to people who have donated craft supplies. These are used all year round in the Storytime program as well as for the Summer Reading Program. If you are interested in donating to the library, please call for details.

Soccer season in full swing

By Juanita Buck
Elk Point Soccer Club

Elk Point Soccer had a late start this year due to the cool weather but our gung-ho attitude has caught us up to where we usually are by this time of year. Our new fields are almost ready to occupy, Parrish Tung tells me, so we are waiting with baited breath to use the great fields that the Town of Elk Point built especially for us to use. They are in Recreation Park by the golf course if anyone cares to peruse them.

May was a busy month for our teams, and this is the short version of the events.

Our youngest group, The Fireflies, ages 5 and 6, called U6 are spending this season learning their moves from a couple of girls who have played soccer around the area for many years, Erin Walker and Eryl Anton-Roberts, as well as Joanne McBroom and all the parents of the children. Everyone seems to be enjoying learning the game.

Numbers are huge for our 7 and 8 year olds in the U8 group, 29 players are under the direction of Marion Hillebrand, Mark Gormley and Bonny Bresky as well as several other parent volunteers. Because this group is so big, they're finding enough challenge learning their moves playing each other, and will have a Fun Day at the end of the season, competing with each other.

For our U10 group, 9 and 10 year olds, we have split into a male

and a female team. The U10 Girls, the Tigers, coached by Sheila Nelson and Cassie Nelson, have played one game in Bonnyville against the Bonnyville Girls I team. Our girls dug in and played hard on a full-size field instead of their regular mini field and played a close match. Our only point was scored by Dakota Desjarlais, and both Ashley Campbell and Megan Bresky did an all-out job goalkeeping.

Constable Jenny McDonald and Brenda Mudryk coached the U10 Boys, the Silveradoes. They have played two games, one against Vermilion and one against Bonnyville 1. Vermilion squeaked by our defense 4-3 when our boys tired out near the end of the match. Our points were scored by Brandon Rainey (2) and Greg Babcock. Kyle Ironeagle and Scott Labrie stood their ground, and sowed some of their excellent skills on the field during this first game. We all hope Margaret White got her voice back from cheering so enthusiastically! Bonnyville as also a close match and this time our boys won 1-0 with one single point at the end of the game scored by Jordan Mudryk. The whole team played well to get the ball to our offensive players and the offense took the ball home. Good team play by everyone is how this one is described, and each of the players helped keep our keeper with no goals scored. Well done!

The U12 Stingers, ages 11-12, coached by

Geoff Bishop, Leonard Gadowski and Jay Duffee started their season playing against Kehewin. The match was close, both teams played attack and defense well but our Stingers had the win at the whistle. The Stingers then traveled to Two Hills and played a great game again, the players stayed in their positions, used their ball control skills and passed up the field brilliantly. We ended with another win. Sheldon Jurak played an excellent game in the keepers box. Amber Babcock kept the other team's scoring chances to a minimum with her never-say-die style of defense and our boys on attack drove the ball into the net. For the third game, Vilna came to Elk Point. Vilna is a new team and we had a 10-0 win. All our players had a good game, practicing their ball control skills. Brendan Bishop especially stood out with his great ball control. Eric Mosley had some timely passes up the field and a few scoring chances, and all our midfielders, including Allan MacDonald and Kent Boyko didn't let the ball out of the offense.

The Blue Lightning, our U14 team ages 13 and 14, coached by Dan Cazabon and assisted by Jenny Scott and Grace Kinjerski, are finding their positions after their first three games. Our oldest age group are building their strength and working hard on new skills. During their first game against Vermilion, although the score did-

n't go our way, the team found their footing and started playing a great game of soccer. The next match against Kehewin saw our Blue Lightning playing a tight game that the score again didn't reflect. Ryan MacDonald scored our only goal in a 5-1 loss. Our keepers played an amazing game considering most of the play was in our end of the pitch. Playing then against Myrnam, we found our positions and this close match could have gone either way. Myrnam took it 2-1 with Adrian MacKinnon scoring our point. Our defense and midfield played solidly and kept going hard through the whole match. Our latest game adventure in Vilna was a 2-1 victory for Vilna but this one could have gone either way and our team is really showing the practice that they have been up to. Our point was scored by a great team effort and Adrian MacKinnon put the ball in the keepers net. Our team members play their heart out each game and a huge improvement in team play as well as individual skills is taking place right in front of our eyes. Keep up the great soccer playing, everyone!

Come out on June 19 to see U14, U12 and U10 Girls. All start times are 7 p.m. North of the A. G. Ross Arena for the U12 and U14, behind the F. G. Miller High School for the U10 group. Also don't forget the great soccer action in the World Cup being played now till the end of June, on a TV near you.

PARKVIEW EXTENDED CARE RESIDENT Helen Hunka enjoyed feeding a bottle of milk to "Minnie", a calf brought to visit by Ruth Stone of Rocky Ridge Dexters last week. "Emily", the 3/4 Boer goat, also was popular with the residents.
